Admission Registration for Exhibitors

Exhibitors are requested to wear the EXHIBITOR Badge Holder and Admission Pass obtained through online registration when entering the venue during both the preparation period before the exhibition and while it is being held (between Saturday, October 11 and Friday, 17). The Management Office requests that all exhibitors register online in advance for admission into the exhibition. Thank you for your cooperation.

(1) The importance of admission registration by exhibitors

- ① Some exhibitors require their visitor's information who is wearing exhibitor badges as very important visitors so the Management Office has made it easier to gather information from them by simply reading the QR codes on these badges.
- ② Enhanced venue security
VIP visitors ([refer to section B-3 2](#)) who have registered online will be accepted for admission at the VIP Exclusive Counter, located on the first floor of the International Conference Hall.

(2) Entering into the venue

Insert the Admission Pass in the Exhibitor Badge Holder and bring it to the venue as shown.

(3) Obtaining the Exhibitor Badge Holder

The Management Office is planning to distribute badge holders in early September to the person in charge at each company and/or organization of the exhibitor. Please ensure that this person in charge receives the badge holder(s).

(4) Obtaining the Admission Pass

- ① **Exhibitors**
Each individual attending the exhibition is required to obtain an Exhibitor Admission Pass by registering online at the CEATEC official website (www.ceatec.com). An admission pass ticketing machine (which prints the admission pass when a smartphone showing the registration completed screen is waved over on the machine) and a registration counter at the venue entrance will be setup for your convenience. However, the Management Office asks for the cooperation of all exhibitors to print a copy of the admission pass in advance and bring it with them to the venue as the ticketing machine and registration counter at the entrance are expected to be very crowded.
- ② **Subcontractors for Exhibitors**
Subcontractors may have difficulty registering in advance for admission, exhibitors should download the Exhibitor Subcontractors Form from the Exhibitor Exclusive site and provide this form to their subcontractors. Note: The admission pass provided to subcontractors on the form will be a simplified version without a QR code.

3. On-site Photography

Photos and Videos Taken by Journalists

Press Badges will be issued to journalists and should be worn at all times on-site. Exhibitors are requested to cooperate with media representatives visiting booths to gather news and/or conduct interviews.

Reporting and Taking of Photos by the Management Office Reporters

At each CEATEC venue, management staff with staff badges, and members of the press, will film and take photographs of the various events. Videos, still images, and photographs taken at CEATEC may be posted, broadcast, or distributed on the websites, related media, and PR materials of CEATEC sponsors, co-sponsors, and exhibiting companies/ organizations, as well as on other websites, newspapers, magazines, and other media. For this reason, please be aware of the possibility that your image may appear in such content.

Photos and Videos of Other Booths Taken by Exhibitors

You may not take photos or videos of another company's products without the permission of that company.

Photos and Videos of Own Booths

Although there are no regulations governing the photographing and videoing of a company's own booths, we ask that when doing so you take care not to disturb visitors and other exhibitors.

Photos and Videos Taken by Visitors

There are no special regulations governing the taking of photos and videos by visitors. However, in cases where exhibitors require that their products and designs be protected or in cases where such actions would interrupt demonstrations, we ask exhibitors to control visitors.

Load-In & Load-Out

Notes on Vehicle Stickers

- ① No extra vehicle stickers will be issued, nor will stickers be re-issued if lost
- ② See C-3 2 to C-3 4 for details on load-in/load-out activities.
- ③ Vehicle drivers and other person entering the show site must also have exhibitor badges or worker ribbons. (see C-2 2)

Load-In & Load-Out

2. Load-In

Load-In

- ① All on-site exhibitors/workers involved in setting up booths must wear Exhibitor badges/Worker ribbons during the load-in period. Those without badges will not be permitted to enter the show halls.
- ② All motor vehicles entering the show premises must have a **Vehicle Sticker**. Vehicles with stickers should obtain an Order of Load-in/Load-out Tickets at the Load-in/Load-out Waiting Area.
- ③ Please follow the management staff's instructions when entering into the show halls.

Waste Disposal

- ① During the load-in period, removing certain types of waste, such as bulky-waste materials, carpeting and production sheets is the responsibility of each exhibitor.
- ② Exhibitors will be invoiced separately for the removal of any such materials left on the premises.

Load-In Vehicle Sticker

Load-in vehicles should wait in the Load-In Waiting Area. Exhibitors must present Exhibitor Badges and Worker Ribbons in addition to Load-In Vehicle Stickers to receive Order of Entry Tickets at the Load-In Waiting Area.

The Order of Entry Ticket is valid for 4 hours, and parking time is also limited to 4 hours. Vehicles parked for longer than 4 hours will incur a fee of ¥1,000 per hour (including consumption tax) when exiting the premises.

The Load-in Waiting Area is available during the load-in period. To relieve congestion at the exhibition venue, please park vehicles without loads in the load-in waiting area.

- * A fee of ¥10,000 (including consumption tax) will be charged for tickets lost on the show premises.
- * The Order of Entry Ticket is valid only one time.
- * On street parking around the South gate is prohibited strictly.

Load-in Route

Load-in Route

3. Vehicles during the show

Exhibitor Vehicles during the show

Vehicles Sticker during the show (one per exhibitor) allows the free parking of one vehicle at Makuhari Messe during the show period, **between 8:00 a.m. and 6:00 p.m. from Tuesday, October 14 to Thursday, October 16.**

- * This sticker is not valid for load-out purposes on **Friday, October 17.**
- * Additional temporary load-in vehicle passes (parking is not allowed) will be issued at the gate if required during the show period.
- * Exhibitors are requested not to leave any vehicles such as forklift.
- * No extra vehicle stickers will be issued, nor will stickers be re-issued if lost.

Load-In & Load-Out

4. Load-Out

Load-Out

- ① **Priority Load-out Vehicle Sticker** will be distributed to each exhibitor. This sticker allows one vehicle per exhibitor to directly enter the show site on **Friday, October 17**.
- ② Vehicles with **Load-out Vehicle Sticker** and vehicles without passes should proceed to the Vehicle Waiting Area and follow the instructions of show staff.
- ③ The Management Office takes no responsibility for exhibited products left on the show site after **8:00 p.m. on Friday, October 17**. In addition, please note that if load-out and booth removal are not completed by **11:00 p.m. on October 17**, you will be charged an extra space usage fee.

Waste Disposal

- ① During the load-out period, removing certain types of waste, such as bulky-waste materials, carpeting and production sheets is the responsibility of each exhibitor.
- ② Exhibitors will be invoiced separately for the removal of any such materials left on the premises.
- ③ A recyclable materials disposal area will be prepared on the exhibition premises.

Load-Out Vehicle

- ① **Priority Load-Out Vehicle Sticker** will be distributed per exhibitor. Load-out vehicles with this sticker may enter the show premises without going through the Load-Out Waiting Area. Because only 1 sticker will be distributed per exhibitor, this ticket should be assigned to each exhibitor's priority load-out vehicle.

- ② **Load-Out Vehicle Stickers** will be distributed. Any load-out vehicles without this sticker must wait until all vehicles with stickers enter the show premises. All load-out vehicles (excluding those that have Priority Load-Out Vehicle Stickers) are required to wait at the Load-Out Waiting Area (Order of Load-out Tickets Exchange), where Load-Out Vehicle Stickers will be exchanged for Order of Load-out Tickets. These tickets permit entry to the show premises according to the number on the ticket.

- ③ Vehicles without stickers must wait until all vehicles with stickers enter the show premises.

- * Load-out Waiting Area may be subject to change depending on the number of issued Vehicle Stickers.
- * On street parking around the South gate is prohibited strictly.
- * Please note that vehicle stickers will not be re-issued, and additional ones will not be provided.

Load-out route

1. Priority Load-Out Vehicle Sticker → Makuhari Messe
2. Load-Out Vehicle Sticker → Load-Out Waiting Area → Makuhari Messe
3. Without Vehicle Sticker → Load-Out Waiting Area → Makuhari Messe

Load-out Route

1. Waste Material Separation

Waste Disposal

We ask exhibitors to remove waste generated from setting up and dismantling their respective booths, or to take responsibility for the disposal of such waste, including costs incurred.

If an exhibitor should leave waste inside the exhibition venue, the exhibitor will be billed later for the cost of disposal.

Please separate waste materials, to increase the percentage of recycled waste. Dedicated waste bins will be placed at the loading entrance of each hall, so please bring your recyclable materials to the garbage cans. Please take any leftover cardboard to the waste-collection point at the south service pathway.

We ask for your cooperation, especially with regard to bringing in and taking out large quantities of waste. We ask exhibitors to devise measures for reducing waste at booths and to make arrangements so that, if at all possible, cardboard, exhibition materials and other items do not require disposal when setting up and dismantling booths.

You may contact the following office for further details on waste treatment within Chiba Prefecture.

Chiba-Prefecture Bldg. Maintenance Corporation

CEATEC promotes environmental measures through the 3Rs (reduce, reuse, and recycle) concept from the exhibition planning and design stages. Examples include using energy-saving lighting, reducing waste from the exhibition such as decorations and lighting fixtures.

CEATEC asks all exhibitors to think about 3R ways to save energy and reduce waste from the planning and design stages of the exhibition. Please try to recycle as much as possible and reduce industrial waste, even if the disposal is contracted out.
